

## Ogden Junior Preschool COVID Policy May 2022

All policies are subject to change at any time due to new guidance from our local health department. We appreciate your support and cooperation as we navigate the challenges of COVID-19/variants and the restrictions that need to be followed.

Temperature checks will be completed on arrival for anyone entering the building.

If a child or staff member has a fever of 100.4 or above, they **must** stay home. Your child may return to school after 24 hours (preferably 48 hours) of being fever free without the aid of fever-reducing medication.

### Updated COVID Policy

- If a child is exposed to someone with suspected or known COVID-19, please notify the Director immediately. The child must quarantine for **5 days** from exposure. The child can return to school on **Day 6 with a negative test**.
- If a child resides in a household with a person who has contracted COVID-19, you need to let the Director know immediately. If the positive family member can isolate away from the household, **the child must quarantine for 5 days** and may return to Ogden on **Day 6 with a negative test if they have no symptoms. The child must wear a mask for Days 6-10. If the child cannot wear a mask, then they need to quarantine for 10 Days and may return to Ogden on Day 11.**
- If the positive family member cannot isolate away from the household, **the child must quarantine for 10 days** and may return to **Ogden on Day 11**.
- Any child that tests positive for COVID-19 must quarantine for **10 Days and may return to Ogden on Day 11**.
- We will handle each situation case by case and work with our local health department to give you the most up-to-date guidance. Any positive cases must be reported to the Director to allow efficient and quick contact tracing.

### Travel Restrictions

- Please notify the Director if your child will be travelling outside of the country.

Thank you for your cooperation and support.
